

# How to Register for vFDW

Faculty Development Weeks (FDW) offers instructors training to upscale their technical prowess and join their peers at one or more of the week-long workshops. This year we are offering the workshops virtually and expanding the event to three weeks and 24 workshops. Workshops are priced affordably at \$50 each and includes registration to the general event to enjoy on-demand training, the Marketplace (sponsor booths), and the Tavern social area.

Week 1: June 6-10

Week 2: June 13-17

Week 3: June 20-24

Need help? Check out the [How to Register for vFDW](#) document.

Only interested in joining the event (and not attending a workshop)? Visit <https://www.engagez.net/vfdw2022> to register for free general admission.

### Registration

[Week 1 - Session 1A] BACCC Summer 2022 CyberCamps -Train-the-Trainer - Includes General Event Admission - \$50.00  
Registration closes on 06/02/2022

This course is for you if: You will be hosting Summer 2022 CyberCamps (CyberCamps League (NCL), SkillsUSA, CyberPatriot and more, or if you want to be a classroom environment that can be utilized in any classroom to introduce their students to cyber camps and CTF (Capture-The-Flag) competition training. Day 1: Overview of CyberCamps, Day 2: CTF Play & Exploitation, Reverse Engineering, Windows Security, Day 5: CTF Play & Exploitation

Enter the number of desired seats next to each workshop description - you will be prompted for attendee names during the checkout process

[Week 1 - Session 1B] Conquer CIS Topics with the Raspberry Pi and Raspberry Pico - Includes General Event Admission - \$50.00  
Registration closes on 06/02/2022

Raspberry Pi is a versatile low-cost computer that can be used in a variety of ways across your curriculum. The goal is to empower you to use Raspberry Pi/Pico using Python programming and explore CIS concepts using open source/freely available tutorials. Familiarity with Raspberry Pi and basic Linux is helpful but not necessary. Equipment needed: Raspberry Pi Starter Kit (Raspberry Pi, Power Supply, Micro SD card, SD Card Reader, Video Cables), access to a Wi-Fi/Ethernet network, 3 extra Micro SD cards and either a Vilros Raspberry Pi Pico Ultimate MicroPython Project Kit or equivalent. Resources: <https://www.myltinstructor.com/2022--summer-vfdw--cis-topics.html>

Note the registration close date is listed for each workshop - register early

[Week 1 - Session 1C] Hands-on Workshop on Software-defined Networking and P4 Programmable Data Plane Switches- Includes General Event Admission - \$50.00  
Registration closes on 06/02/2022

Scroll down to the Checkout button

## Provide Purchaser/Attendee Information

We understand the purchaser may be a different person than the attendee. Once you enter your purchaser information, we will prompt you for the attendee information. The first attendee 1 spot will automatically fill in with the purchaser information (assuming most purchasers are the attendee as well). If you are adding the same attendee to multiple workshops, slide the grey button to the right to copy the information.

### Registration information

Your email address \*

Last name \*

Enter your purchaser information first

### Attendee 1 Details - [Week 1- Session 1A] BACCC Summer 2022 CyberCamps - General Event Admission

Email address \*

Enter attendee information next

If you need any assistance with the registration process, please email us at [wastc@chappellU.com](mailto:wastc@chappellU.com).

## Pay for Workshops

After entering attendee information, scroll down and click **Complete Registration** to go to the credit/debit card processing page. We can accept Visa, Mastercard, American Express, and e-checks.

[Complete Registration](#)

## Join a Waitlist

You can join the waitlist for any workshop if it has sold out. If a seat frees up for a full workshop, you will be notified (if you are at the top of the waitlist). You will have 12 hours to complete purchase of the workshop seat before we contact the next person on the waitlist to offer them a seat.

If you have questions about your waitlist status, please email us at [wastc@chappellU.com](mailto:wastc@chappellU.com).

## Confirmation of Registration and Payment

An email receipt and confirmation will be sent within 15 minutes of successful workshop purchase.

## Cancellation Policy

Refunds will only be given if requested at least five (5) working days before the start date of the workshop. If you must cancel, please contact us at [wastc@chappellU.com](mailto:wastc@chappellU.com) as soon as possible so another attendee may take your spot in the workshop.

## Event and Workshop Access Information

We will send you an email containing login instructions for your workshop by the Friday before your workshop begins.

## Questions?

Contact us at [wastc@chappellU.com](mailto:wastc@chappellU.com) if you have questions or require registration assistance.
